INFORMED CONSENT FOR TREATMENT

At Salem Psychiatric Associates and Valley Mental Health, your treatment may be provided by a subcontracted therapist and/or at a satellite office. As such, any physician or therapist associated with Salem Psychiatric Associates and Valley Mental Health may review your records in part or in whole. Otherwise, clinical records are kept under the strictest rules of confidentiality, which means that information about your treatment will not be released to any outside agency or individual without your written permission. Please be advised, however, that rules of confidentiality will be broken under certain circumstances as VMH employees and subcontractors are required by law to report evidence of suicidal or homicidal intent, evidence of past or current child abuse and evidence of past or current elder abuse. Additionally, confidentiality may be broken if the information we have could help save your life in a life-threatening emergency. If you have questions about confidentiality, please feel free to discuss them with your therapist.

Entering mental health treatment is a courageous step. You should know that sometimes symptoms become worse before they become better, though this should subside as the work of treatment progresses. Your therapist may ask you to participate in activities or ask you to do tasks outside the “therapy hour”. While you have the right to refuse any therapeutic technique, we must be able to discuss your thoughts and feelings about your treatment. You will be involved in the process of designing and implementing, and the periodic review, of your Treatment Plan. If you have any questions about the nature of your treatment, talk directly to your therapist as soon as the question arises.

FEE AGREEMENT

It has been explained that OHP members will not be billed for any services. Other insurance will be billed as appropriate.

NOTE: Clients with Medicaid funding will not be charged for services and will not be responsible to pay for missed appointments.

FEE SCHEDULE

This fee schedule is for informational purposes only. You will only be responsible for the allowed amount that will be specified by your insurance. Please note, this is not a full list. Please see our website for the full CPT charges list.

Therefore, we require **48 hours' notice** if you need to change or cancel your appointment so that the time may be offered to someone else in need. If this is the case for you, our intake department and providers are happy to support you in coming back into services when the time is right.

For changes to a therapy appointment, please contact your therapist directly.

For changes to a medication or case management appointment, please call **(503) 589-4046**.

4. After the **THIRD UNEXCUSED MISSED APPOINTMENT**, your provider and/or prescriber may choose to discontinue services and, if so, will mail you a Service Conclusion Letter. If **MEDICATION SERVICES** are discontinued, you will be prescribed enough medications for one month and referred to your Primary Care Provider or to PacificSource Community Solutions (CCO) for a new prescriber.

Unexcused missed appointments are defined as any “No Shows” or appointments cancelled outside the 48-hour time frame that have not been approved by the therapist, assigned prescriber, or case manager.
